Training courts/times

Court Bookings may be made at Hibiscus Sports Complex for a minimum of 1-hour blocks - subject to availability. Any request for a court prior to the tournament must be made through bookings@hibiscusstadium.com.au.

Scoretable Personnel

Each team competing at the Championships must supply two competent scoretable officials for each of their games. Team A is responsible for Game Clock & Shot Clock, Team B is responsible for Courtside & Chairperson.

Teams may request scoretable assistance from the host association, and while they will endeavor to meet requests, please note that assistance is limited and **cannot be guaranteed**. The responsibility will always lie with each team to ensure their games are sufficiently covered - teams will be forfeited if they fail to provide scoretable personnel.

There is a fixed fee of \$25 per person, per game payable for scoretable assistance. If you would like to request personnel, please email Rob Tankey at South West Metro Pirates Basketball Association as soon as possible prior to the tournament - gm@southwestbasketball.com.au

There will be no scoretable refresher course at these State Championships.

Scoretable for Finals

The Host association will supply all scoretable officials for each of the major semi finals (SF1 & SF2) and medal games in both **Divisions 1 and 2**.

In **Divisions 3 and 4**, the host association will provide **two people** for major semi finals (SF1 & SF2) and medal games, while teams must provide one person each to complete the bench.

Merchandise

All 2022 State Championships official merchandise will be proudly supplied by Hoop2Hoop. Merchandise available for purchase at the event include T-shirts, Polo Shirts, Shorts, Hoodies, Socks amongst other items.

Hoop2Hoop will be present in the mezzanine area of Hibiscus Sports Complex for the majority of the tournament.

Sports Med & Strapping

Hibiscus Sports Complex: located between Court 2 and Court 3

Runcorn State High School: located between Court 1 and 2

Chandler Arena: located southern side of Court 1

It is recommended that players come strapped and ready to play to ensure that the first aid area is not congested due to restrictions.

Sports Med can provide strapping to players at the following costs (cash only):

- \$5.00 cash per total applications (if athlete has tape)
- \$5.00 cash per application (if athlete does not have tape)

Tape for sale (by roll): 38mm rigid - \$10; Kinisio - \$20

If during the course of the tournament a player receives an injury and the Sports Med has noted that they should not continue playing in the tournament, but the player wishes to continue, the player must obtain a Doctor's Certificate stating they can play and present this to the BQ Event Commissioner before being permitted to take the court. If the injured player is unable to obtain a Doctor's Certificate due to there being insufficient time between games or there is no surgery open due to the timing/day of the game, written approval from a parent or legal guardian must be

provided to the Event Commissioner. It is the Team Manager's duty of care to ensure that the injured player has been cleared to play by a medical professional at the request of the attending Sports Medicine officer.

The Sports Med team will have limited access to ice during competition. Ice will only be provided to athletes injured in games after being assessed by the attending Medic and not for the management of existing injuries or post-game recovery. Ice is a treatment, and every request must be assessed and be accompanied by an injury report form.

Responsibilities Regarding the Draw

Team staff are encouraged to check the draw right up to the start of the event for changes and every day during the tournament. It is the Team Manager's responsibility to ensure their team is present and ready to play at their scheduled game time.

Event staff will make every endeavour to contact teams via a text messaging system to inform them that the next round of fixtures has uploaded on the website. The manager is to then use this information and refer to the draw for their next game.

Please note however that notification via the text messaging system may not always be possible and the responsibility of ensuring the team is at their scheduled game on time will always remain with the team staff.

Results posters will not be available at each stadium due to restrictions. All results can be found online on the Basketball Queensland website.

Medal Presentations

Medals presentations will occur after each timeslot in which a medal is decided. These presentations will occur once all medal matches during the timeslot have been decided at Hibiscus Sports Complex, on the mezzanine level. Boys Division 1 Gold, Silver and Bronze medals will all be presented on court following the Boys Division 1 Gold Medal Match.

When spectators purchase their tickets to State Championships, they should tick the box to say they will be taking photos of their child/children.

We will now be allowing **associations photographers** (volunteer or paid) in to take photos if Associations want to have someone there to specifically cover their teams. All Association photographers must be accredited with BQ and will have to display their photography pass **at all times**.

Video Camera operators who are filming specifically for the team must have applied for media accreditation, have their pass displayed and must film from the area provided.

Photography/video from the team bench or score bench is also **not** permitted.

Commercial Rights

BQ will not be permitting any photographer into State Champs **if they are intending to sell the photos they take, back to participants**. All commercial rights for photos taken at State Championships will remain with BQ.
