No Zone Rule – U13 Only

Coaches are reminded the "no zone" rules apply for the U13 Qld Junior Club Championship. In the interest of better player development, coaches should ensure defences are only those which incorporate man to man principles.

Definition of Zone Defence

- Any defence in the half court which does not incorporate normal man to man defensive principles
- Trapping defences which rotate back to man-to-man defensive principles are acceptable

Violations of Man to Man Defence

Violation of the "no zone" rule will generally fall within one of the following categories:

- One or more players are not in an acceptable man to man defensive position in relation to the player they are guarding and the player with the ball;
- A cutter moved all the way through the key and was not defended using acceptable man to man defensive techniques (e.g. bumped, switched, followed)
- Following a trapping or help and recover situation the team make no attempt to re-establish man to man defensive positioning
- Teams Zone press and did not assume man to man defensive positioning once the ball was into the quarter court.

Penalties for use of Zone Defence

Zone Busters will be monitoring all games and enforcing the "no zone" rule at all U14 State Championships. The penalties for the use of a zone defence are as follows:

1. First offence - warning - speak to coach
2. Second offence - Technical Foul
3. Third offence - Second Technical Foul - disqualification of head coach
4. Fourth offence - Third Technical Foul - disqualification of assistant coach
5. Violations throughout the Championship - If a team has been penalized for playing "zone defence" in two or more games during the Championship, the Championship Technical Committee may take further disciplinary action including, but not limited to, disqualification and loss of points.

For further information on how the "No Zone" Rule will be implemented at this State Championship please refer to the Zone Buster Manual produced by Basketball Australia.
